EXPERIENTIAL LEARNING

Student Eligibility

Especially designated to make International Experiential Learning accessible for these priority groups:

- Canadian students with any disabilities
- Indigenous students
- Low-income Canadian students

However, all Canadian students can participate and apply for funding.
- International students can participate but funding is restricted due to our funder's federal requirements.

Program fees

Global Learning Costa Rica has a program participation fee that depends on the length you intend to participate in.

Funding support:

The IELP at STU has funding from Global Skills Opportunity to cover virtual internship program fees for Canadian students only for up to \$500 CAD, or up to \$1,000 CAD for students from the priority groups above. International students are not eligible for this funding.
