

St. Thomas University

EDUCATION INSTITUTE - Summer 2018

Supplementary Information Form

Important Note: Education Institute courses **cannot** be used for credit towards the limited enrolment St. Thomas University Bachelor of Education program. Institute courses are at the 6000 level, and are restricted to applicants holding a Bachelor of Education degree or those who have received written permission from the Education Institute Coordinator, Dr. Grant Williams (grantw@stu.ca).

Students wishing to use these courses for teacher certification or as part of a master's degree program should contact the appropriate individuals to receive permission to do so.

Please respond to each of the questions by placing a check mark in the blanks provided.

I am applying for the following course(s):

- EDUC 6153 – Assessment as an Instructional Practice
- EDUC 6733 – Teaching Elementary and Middle Level Science

NOTE: All courses consist of one week of pre-class preparation, followed by one week of classes. Also, additional time beyond the week of classes may be required in order to complete the final capstone assignment. For further information, please contact the courses instructors.
